The 77 institutions, annexes, units and re-entry centers on the FDC Institutions List, with address, phone and warden as posted on each facility page.

Visiting (FDC Visiting Information page): you must first become an approved visitor by completing the Visitation Application (DC6-111A); everyone 12 or older must apply. Mail it to the Classification Department at the inmate's current location or e-mail it to that location. Processing takes about 30 days and the inmate is notified of the decision. Approved visitors must complete the Visitation Scheduling form before visiting each week; it is available only between Monday 5:00 AM EST and Wednesday 5:00 PM EST. No walk-up appointments without a scheduling form submission.
